Support AMOA on **GIVING TUESDAY**

This has been an exciting year at the Anderson Museum of Art. We thank the community for supporting our exhibitions, programs, and events.

We are excited to share with our supporters that the museum has received a generous donation of a kiln from Jo Broshar. The kiln will provide the museum with several new opportunities for classes. Local artists will also appreciate having the kiln on site for their projects.

Starting November 1, 2021, AMOA will launch a special fundraising campaign to assist with the costs of installing the kiln.

The total cost of the project: \$2,500. The Anderson Museum of Art's Women's League, a group established to support the arts and programs at the museum, has graciously agreed to match up to \$1,000 for this campaign. This means when you donate \$10, it counts for \$20!

Learn more about this campaign by visiting andersonart.org/kilnproject.
