Great News! Things are returning to normal at AMOA. AMOA's Summer Art Camp was a great success with five weeks of fun. We were so excited to offer ten student scholarships thanks to our friends with Youth Leadership Academy and the Madison County Community Foundation. Camp fees continued to be lower than other art camp offerings thanks to the financial support of our members and donors.

There's so much to come at AMOA. Not only are we bringing you another first-time exhibition, *Planes, Trains, & Automobiles: The Art of Transportation*, but we are working on a brand-new event, *Mystery at the Museum*. Both will be hosted this winter! We are always working to elevate the arts and will do so again by hosting our second *Over the Edge* on October 22, 2022. AMOA is going to pack the Downtown Anderson streets with vendors, food trucks, a DJ, and live rappelling. We are so excited for you to attend! AMOA is looking for Edgers to show their support by taking the leap.

Next year is going to be a big one for AMOA. Our board worked diligently to complete a strategic plan last year that included many new upgrades for the museum. We will be working to build and grow the museum with a capital campaign in 2023 that will raise funds to improve and maintain our historical building, improve our collections space, update and improve our education area and programs, and lastly, add a community gallery to the lower half of our building. More information is coming, but get ready, this is going to be great for our community!

We appreciate you and hope that you plan to visit us very soon. Our motto for our members this year is creativity GLOWs at AMOA, and that's because of you, the real stars! - *Mandee Mikulski*
