AMOA's summer calendar is full of activities for children and adults of all ages to encourage learning and appreciation for the arts through hands-on activities. These activities will provide valuable skills and experiences that will make a lasting impact.

We will continue to increase our community outreach efforts by encouraging local artist participation, highlighting the talent of these artists with new exhibitions, and building partnerships with other nonprofits, businesses, and community advocates.

We depend on the support of our members, donors, and the community to provide art programming and activities. If you are interested in supporting, please visit our website to contribute to our Spring Campaign. The campaign was established to help the museum with funding for its annual Summer Art Camps, provide scholarship assistance to those unable to afford camp tuition, and support the many upcoming exhibitions and programs the museum will host in the summer.

Thank you for supporting your local art museum! We appreciate you helping AMOA elevate the arts in Anderson!

# SAVE THE DATE!

SAVE THE DATE!  
ELEVATING THE ARTS IN  
ANDERSON

OCTOBER  
2021

## Lets Elevate the Arts in Anderson!

Mark your calendar for October 23 for a fundraising event like you have never seen. It's new, it's exciting, and it's edgy!

AMOA will challenge up to 80 people to go "Over the Edge" of a local building and repel down in support of AMOA. To participate, each "Edger" must raise at least \$1,000 for museum programming.

Those who do not take on the challenge will be invited to attend and watch the Edgers live while enjoying entertainment, shopping, local cuisine and drinks, a kids fall fun area, and the museum. The cost to attend is only \$3 and all proceeds will benefit AMOA.

Stay-tuned for more details soon!
