AMOA is grateful to our community of supporters. Amidst the struggles of 2020 and 2021, your support has helped AMOA to grow its membership, expand its exhibition schedule, and move in a positive fiscal direction. All of this was only possible because of you, our members, donors, and a host of supporters. Proceeds earned through events like Over the Edge, Escape the Museum, as well as grant support, class participation, sponsorships, and memberships, have all been imperative to the growth AMOA has experienced.

The Board of Directors and staff have many goals that have been set forth in a new strategic plan, developed for 2022-2025. The plan comprises four parts: Art, Access, Attraction, and Administration. Each segment includes measurable goals and tactics that will be implemented over the next three years. One of the first goals focuses on the maintenance of our historic building, including a crucial plan to renovate the roof of the museum. This will be paramount in our efforts to share and protect our permanent collection.

AMOA's aim is to provide the community with novel and fun, art education opportunities. Please take a few minutes to review this booklet for more information on both our annual events and brand new programs too. We encourage you to continue reading our e-newsletter each month, opening periodic emails sent from AMOA, and monitoring our social media pages for additional updates.

Wishing you creative inspiration in 2022,
